

A Quick and Easy Baby Bib

Materials

Size 11 needles (or whatever size you need to obtain gauge)

Worsted weight yarn
(our example used a heavy worsted carried single with a smaller needle)

Tapestry needle

Double pointed needles

Gauge in garter stitch – 3.5 stitches per inch. Exact gauge is not essential

Pattern

Using long tail cast on and holding two strands of yarn together throughout, cast on 24 stitches. Knit all stitches in every row until piece measures 8.5 inches.

On the following right side row (tail from long tail cast on will be on the right-hand side of the piece, bind off all stitches, but leave last stitch on the needle. Do not break yarn.

Keeping the right side facing you, rotate the work 90 degrees to the right, so that the active stitch is now in the upper right corner of the piece. Pick up one stitch for each garter ridge along this edge. Knit three rows even.

On the following right side row, K3, bind off to last three stitches, K3. Transfer the last 3 stitches to double points and leave the first 3 on your original needle or on a holder. begin a 3 stitch i-cord and continue until the cord measures 9 in. Bind off. Next, pick up the 3 stitches on the holder and begin a 3 stitch i-cord until the cord measures 9 in. Bind off and weave in ends.
